Product Discontinuance Notification (PDN) No: 150210

Subject: Discontinuance Notice for the MT90863 family

Description:

Microsemi is announcing the discontinuance of the MT90863 family.

Reason for Discontinuance:

The decision to discontinue these products was driven by diminished demand and low forecast volumes.

Customer Impact:

These devices are being removed from Microsemi's product offering and will no longer be available for order after June 10, 2015. Please contact your local Microsemi Sales Office for information regarding conversion to alternate parts.

Product may be limited in availability. Orders will be supported on a first-come-first-serve basis. Orders for these products will be non-cancelable and non-returnable.

Replacement Parts:

The recommended functional replacement part is the MT90866AG2.

Last Order Date: June 10, 2015

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than June 10, 2015. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: June 10, 2016

Please note that Microsemi will continue to ship last-time-buy orders as requested only through June 10, 2016. Product orders must be scheduled to ship no later than this date.

Products Affected by this Discontinuance:
