

## Customer Information Notification

**CN-202110007I**

**Issue date:** 08 Oct 2021

**Effective date:** 07 Nov 2021

Here's your personalized quality information concerning products our customers and partners purchased from Nexperia.

For more details please contact your respective Nexperia CSR/AM.

## Datasheet Correction PESD1FLEX

### Notification information

The datasheet of PESD1FLEX has been updated to correct a typo in the datasheet

#### Why do we issue this notification?

The datasheet was edited to reflect the correct measurement conditions for Cd (diode capacitance). The correct conditions are  $f=1\text{MHz}$ ,  $V_R=0\text{V}$ . The currently published measurement conditions are  $f=5\text{MHz}$ ,  $V_R=0\text{V}$ . The datasheet design was updated to the latest Nexperia layout rules.

### Management summary

Datasheet Correction PESD1FLEX

## Identification of affected products

N/A

## Impact

No impact to the product's functionality anticipated

No impact.

No technical change of the product (fit, form and functions are unchanged).  
Value for Cd (diode capacitance) typical and maximum is unchanged regardless measured at  $f=5\text{MHz}$  or  $f=1\text{MHz}$ .

## Data sheet revision

A new datasheet will be issued

## Disposition of old products

N/A

## Contact and support

For all Quality Notification content inquiries, please contact your local Nexperia Sales Support Team.

For specific questions on this notice or the products affected please contact our specialist directly: [pcn@nexperia.com](mailto:pcn@nexperia.com)

In case of distribution, please contact you distribution partner.

## About Nexperia B.V.

We at Nexperia are the efficiency semiconductor company. We deliver over 90 billion products a year and as such service thousands of global customers, both directly and through our extensive network of channel partners. We are at the heart of billions of electronic devices in the Automotive, Mobile, Industrial, Consumer, Computing, and Communication Infrastructure segments.

You have received this email because you are a designated contact or subscribed to Nexperia Quality Notifications. Nexperia shall not be held liable if this Notification is not correctly distributed within your organization.
