## TE Connectivity

Product Change Notification: P-21-020789

PCN Date: 20-APR-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**  
Commercial MNL and Micro MNL terminals

**Description of Changes**  
Manufacturing location change. Following Part Numbers will be transferred from TE Connectivity Lickdale to TE Qingdao in order to achieve a greater output and minimize delivery issues caused by the significant increase in demand we are experiencing, which guarantees the performance.

**Reason for Changes:**  
Dear Customer, we hereby inform you about a transfer of tools and/or processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard requirements. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. A PPAP Level 1 will be available if it concerns a component of a TE-product, where the production location of the finished TE-product remains unchanged. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN.
