Proposed First Ship Date for Change: 10/12/2018

Last Date of Manufacture of Unchanged Product: 10/12/2018

Dear Valued Skyworks Customer:

Please be advised that Skyworks Solutions Inc. is introducing the following product change(s):

Description and Scope of Change

Qualification of 7"x12mm Reel Replacement from Tayloreel to Advantek. Converting to new supplier due current supplier's material intermittently failing ESD (Triboelectric) tests.

Products Affected

SKY65009-70LF; SKY65015-70LF; SKY65551-11

Method for Identifying Changed Product

Full product change traceability is maintained by: date code

Reason for Change

The reason for this change is due to the current supplier not being able to provide reel material that consistently meets ANSI S20:20 ESD requirements.

Anticipated Impact on Form, Fit Function, Reliability, Quality or Safety

There is no impact to the form, Fit, Function, Reliability, Quality or Safety of the product. There is no change to the product. There is no anticipated negative impact to the customer regarding the use of the replacement reels. All dimensional measurements are comparable between current and replacement reels. The new reels are consistently meeting all ANSI S20.20 ESD requirements.

Qualification Plan Summary

Product qualification not required; no change made to part. Please see attached reel qualification presentation.

Launch Plan

Implement the change upon expiration of the PCN.

Please contact your Skyworks customer service representative with any questions or comments regarding this change. If you are unsure whom to contact, please email Skyworks Change Management at Skyworks.CCB@Skyworksinc.com.
